

Find Debuts at Secutech 2011

See over **1,700** booths! Check over **500** kinds of IP Security & HD Surveillance Related Products!

Schematically to probe better security options in the security industry, Secutech 2011 have serried better IP solutions in fields such as presenting solutions in better image quality, increase coverage per solution, smart search options and many more!

Debut! Video Software Zone
Secutech 2011 will deploy rich contents of devices and concepts involving VCA, IVS, VMS and to PSIM. Furthermore if you would like to look into green security topics as well as to discuss the open communication between different systems, a full range of seminars can compensate if definitely!

IP Equipment Pavilion
Secutech 2011, you will see a majority of IP solutions carrying megapixel sensor, network video management system, 2 to 3 megapixel IP camera, and in adjacent to selectable efficient compression provided! DVR and NVR with remote management, real-time recording, and MVRs are also not to be missed.

For your IP search:
 • IP camera
 • IP speed dome
 • IP megapixel camera
 • NVR / NAS
 • Surveillance software
 • Network management systems
 • Transmission devices

Debut! Video Storage & Recording Solution Zone
Come to find the storage devices that are efficient in scalability, availability and have great manageability. A full spectrum of providers will present you with a great span of options. Secutech 2011 exhibitor offers solutions from all price and quality levels and origins from the west of US/Europe to east of Asia!

Debut! Singapore Pavilion
Gathering Singaporean manufactures, easy sourcing of security products can be retrieved right at Secutech 2011.

Debut! European Pavilion by Messe Frankfurt
Powerful manufactures coming from the west part of the world with mature and developed technology. We present you with original Germany, France, Spain, England, Switzerland, and many more with one-of-its-kind security devices.

Debut! USA Pavilion by Messe Frankfurt
With strong security growth origin, look forward to the USA suppliers bringing their technology to Asia!

Debut! HD Surveillance Pavilion
 ➤ Provides the latest HD and megapixel products
 ➤ Asia's first of its kind!

Not-to-miss features at Secutech 2011

- Access Control/RFID Pavilion
- Biometrics Zone
- Korea Pavilion
- China Pavilion
- Homeland Security Zone
- Fire & Safety Zone
- Home Automation & Intrusion Alarm Pavilion

The show expects to attract a record-breaking **560** exhibitors and more than **25,550** professional buyers to source security products and services from components, devices and software to total solutions in more than **35,800** sqm of exhibition space.

The IP Security Solution of Today and Tomorrow

The new security cycle opens a new page: After a 8~10 years of analogue equipment cycle, optimistic research have show that by 2014, **50%** of shipped analogue cameras will be HD or megapixel. (IMS Research)

Don't miss the 2011 Golden Cross!

Latest Product, Technology, Application

Collecting security fringes around the world, all shopping can be done in one-stop!

Heart of Asia

Asia produces 85% of world's security products. Secutech offers the most complete security line.

Secutech 2011

Quality Suppliers

Compel to different price and functional operations, a range of suppliers are available for selection

Sourcing Time

Quarter 2 is the golden period to select the most innovated product for yearly sales.

Full IP Security Display

from front to back ends, all at Secutech 2011!

IP is more than a catalyst that amplifies integration. Networking advances is the gist that offers better image quality, increased coverage area, provides longer recording times, enables smart search capabilities and generates better image resolution. To stay ahead of fierce competition, you need to know:

- ✓ What IP security is
- ✓ Where IP security applies
- ✓ Who Your IP security partners are
- ✓ Why you can not overlook IP security
- ✓ How to success in the IP security arena

Secutech is the destination providing all the **ANSWERS!**
